Your tour

Bright shining eyes will confirm it: Lake Constance is not only a cycling paradise, but also a paradise for children! There is something new to discover every day on this tour: The stages are kept extra short so that there is always enough time to discover and enjoy, whether for a quick dip in the lake or extended breaks for the children at one of the many playgrounds. To ensure that the little cyclists get their money's worth, a day's admission to Ravensburger Spieleland is included. There are also exciting insights into the Stone Age during a visit to the pile dwellings in Unteruhldingen. The Zeppelin Museum lets you experience the history of flying cigars and the cable car up the Pfänder offers magnificent views of the entire Obersee. A relaxing family cycle tour on Lake Constance awaits you!
