Your tour

The Altmühl is considered the slowest river in Germany. Nevertheless, it offers its own bike paths along its banks as well as paved forest and field paths that make cycling a pleasure. The journey begins in Rothenburg and takes you leisurely to Regensburg, which also has a medieval feel. On the way, you will have plenty of time to get to know the beautiful Altmühl Valley with its historic towns, bizarre rock formations, castles and juniper heaths.

Itinerary

Day 1	Individual arrival in Rothenburg
Day 2	Rothenburg – Ansbach, approx. 40 / 50 km

- Dispatched up to four weeks before arrival. For short-term bookings, delivery to the start hotel, hotel list and arrival information will be sent by email

Stages description

Day 1: Individual arrival in Rothenburg

Rothenburg ob der Tauber is the epitome of medieval town romantics and has been immortalized by artists such as Spitzweg and Richter. Be guided through the town in the evening by the night watchman and learn all kinds of interesting facts about life in Rothenburg back in the day.

Day 2: Rothenburg – Ansbach, approx. 40 / 50 km

You will start your journey in the Tauber valley and it won't take long before you reach the river Altmühl. Alternatively you can take a challenging, but picturesque route via the Altmühl source (approx. 10 km longer). Cycle past the Zollern Castle in Colmburg and you will soon reach Ansbach.

Day 3: Ansbach – Wettelsheim / Treuchtlingen, approx. 60 / 65 km

Today you cycle leisurely through the Franconian Lake District. Take a long break at the Altmühlsee Lake! Afterwards you cycle to Gunzenhausen, which is located right on the former border of the Roman Empire, the famous Limes. Your destination for today is either the small town of Treuchtlingen or the even smaller but beautiful Wettelsheim just a few kilometres away.

Day 4: Wettelsheim – Eichstätt / Wasserzell, approx. 50 / 65 km

On today's stage the valley becomes narrower and the river Altmühl cuts deep into the Jurassic rock. The 12 Apostels, an impressive rock formation, are a marvellous sight. Again and again you will cycle past mighty castles on your journey to Eichstätt, a former bishop city characterised by charming Baroque buildings.

Day 5: Eichstätt – Beilngries, approx. 45 km

In Eichstätt take the opportunity before you leave to visit the Jura museum, which has lots of fossils of dinosaurs from the area. Your cycle tour today takes you through a juniper heath in Altmühltal valley to your destination, the charming town of Beilngries.

Day 6: Beilngries – Essing / Kelheim, approx. 40 / 45 km

Today you will go to Dietfurt, which brings you to the Main-Danube Canal. Afterwards, Prunn Castle presents itself to you on a hill and shortly before Kelheim, it is worth taking a look at the Schulerloch stalactite cave. In Kelheim you will reach the confluence of the Altmühl and the Danube. Visit the Liberation Hall on the Michelsberg and take a boat trip to the nearby Weltenburg Monastery.

Day 7: Kelheim – Regensburg, approx. 50 / 40 km

Before you set off to Regensburg, it's worth making the effort to cycle up to the Hall of Liberation, where you have incredible views of the area. Continue at a more leisurely pace on to Regensburg, where you reach the most northerly point of the Danube. This town is considered Germany's best-preserved city and has been declared a UNESCO Heritage Site.

Day 8: Individual departure

After breakfast you start your individual return journey home or extend your stay.
