Your tour

From Germany's biggest lake, it goes on a journey to the Allgäu, that is known for its lush green meadows, crystal clear lakes and striking mountain summits. From Kressbronn at the Lake Constance, you cycle through a region, that is focused on tradition and habits and where the Allgäu mountain cheese tastes twice as good. Visit the magical royal castles Neuschwanstein and Hohenschwangau on your way and take a long bath in the Forggensee lake, Germany's biggest dam. The tour is especially made for trained bikers, that are not afraid of longer stages or the one or the other altitude.

Stages description

Day 1: Individual arrival in Kressbronn

Your tour begins on Lake Constance, in the idyllic small town of Kressbronn. Plan your arrival early, so that you have enough time to stroll through the little old town, take a swim in Lake Constance or maybe even take a trip to Friedrichshafen, and visit the famous Zeppelin museum.

Day 2: Kressbronn – Oberstaufen, approx. 65 km

You cycle briefly along the lakeside to Lindau, with its old town situated on an island, but soon leave Lake Constance to cycle along the Bodensee-Königssee cycle path up to the Allgäu hills. You pass luscious meadows with happily munching cows to Oberstaufen, just as one imagines the Allgäu should be. In the show dairy, you can find out how they make their delicious cheese and even try some.

Day 3: Free day in Oberstaufen

Enjoy a great day in the Allgäu region. The Oberstaufen-card offers you numerous advantages. You can go for a short hike, take a cable car to one of the mountain tops or just relax in the outdoor pool. Staying in the Allgäu region means pure holiday feeling!

Day 4: Oberstaufen – Nesselwang – Füssen, approx. 75 km

The section begins along even ground and takes you through the valley of the Konstanzer Ach river to the Großer Alpsee Lake. From there you head to Immenstadt passing the foothills of the Grünten mountain, also known as the Allgäu's watchman. You cycle a while along Rottachsee Lake and at Oy-Mittelberg, have reached the highest point of the

tour. From here it's not long to this section's destination, Füssen and its famous sights: Neuschwanstein Castle and its „little sister“, Hohenschwangau Castle! You should not miss those impressive fairy tale castles! Our tip: It is best to book your tickets in advance.

Day 5: Füssen – Kempten, approx. 70 km

Along Forggensee, Germany's biggest reservoir and the steam train circular, you cycle to Marktoberdorf. From there you cycle through Kempten Forest, encountering a number of inclines before you arrive in Kempten. Today's destination, Kempten, was founded by the Romans as the town of Cambodunum, and is one of the oldest towns in Germany. A guided tour of the staterooms of the residence is worth it - which include profane and sacred elements.

Day 6: Kempten – Kressbronn, approx. 100 km

You cycle along a disused railway track in the Württemberg part of the Allgäu, up to the European watershed of the Rhine and the Danube. Take a break in Isny, a town on the Upper Swabian Baroque route - always worth a visit, before cycling along the Danube-Lake Constance cycle path to Wangen. Afterwards you cycle through the Tettngang hops area, the most southern hops-growing area in Germany. Through orchards you cycle back to Kressbronn.

Day 7: Individual departure

After breakfast you start your individual return journey home or extend your stay.
