## Your tour

Your journey begins in Bamberg, in the heart of “Bierfranken” Franconia of the beers. The river leisurely makes its way through the Franconian wine country and slowly meanders through the dark green forests of the Spessart region behind Würzburg. The river is always accompanied by the formidable Main Cycle Path – one of the most beautiful river cycle paths in Germany. Castles, fortresses and ornately decorated churches, as well as cosy beer gardens and rustic wine taverns, bear witness to the rich cultural history of many places.

## **Stages description**

### **Day 1: Individual arrival in Bamberg**

The medieval original town ensemble has been an UNESCO World Heritage site since 1993. One of the most important of the countless sites is the cathedral: Belonging to the principal German imperial cathedrals, it was sanctified in 1237 and accommodates the imperial grave of Heinrich II.

### **Day 2: Bamberg – Schweinfurt, approx. 60 km**

You will be cycling through the valley, following the Main. Today's stage will leisurely take you through wine villages and orchards along the river. Later, you will cycle through Haßfurt and finally reach Schweinfurt in Lower Franconia, with its beautiful Holy Trinity church.

### **Day 3: Schweinfurt – Kitzingen, approx. 60 km**

In the pilgrimage church Maria im Weingarten, which was built in the 15th century, you will find the famous floating Madonna in the Rosary by Riemenschneider. Volkach is the centre of the Maindreieck wine region. The Main continues meandering along the valley towards Kitzingen, which is famous as it boasts the oldest wine cellar in Germany.

### **Day 4: Kitzingen – Erlabrunn / Karlstadt, approx. 50 / 65 km**

The river and along with it the Main cycle path, makes a dramatic turn and lead you towards the Franconian metropolis of Würzburg. You shouldn't miss the Baroque Castle here and the World Heritage Site of the Würzburger Residenz Palace, which towers high above the town. Also worth to look at are the Old Bridge and the traditional vineyards within the city. The way onwards to Zelligen and Karlstadt takes you along nice and easy paths.

### **Day 5: Karlstadt – Marktheidenfeld, approx. 50 / 65 km**

The Main triangle is now followed by the Main quadrangle, the first corner of which is Gemünden. Here you are already in the Spessart nature park, which you can overlook wonderfully from the ruins of

Scherenburg. The route then continues in ever tighter curves through wooded hills. Near Rothenfels, the Romanesque castle watches over the narrow valley and your path; Marktheidenfeld, situated between the Main and Spessart rivers, is entirely under the sign of Franconian wine culture.

### **Day 6: Marktheidenfeld – Bürgstadt / Miltenberg, approx. 55 km**

Today's stage is characterised by beautiful landscapes, picturesque villages and charming castle ruins. Near Homburg, you will see the castle towering high above the Main. You reach Wertheim via the Urpharer Main loop. The ruins of Wertheim Castle are a real eye-catcher. If you want a marvellous view of the old town with its numerous half-timbered houses and the picturesque river landscape, you should not shy away from the climb. Following the winding course of the Main, you will comfortably reach your destinations for the day, Miltenberg and Bürgstadt.

### **Day 7: Bürgstadt – Aschaffenburg, approx. 40 / 45 km**

In Miltenberg, the „Schnatterloch“, one of the most picturesque German squares and world-famous photo motif, and the „Riesen“ inn are particularly famous. Next you head for the small town of Klingenberg and its vineyards, wine cellars and so-called „Heckenwirtschaften“ - wine taverns that open seasonally. The „glide“ along the Main cycle path to the „Spessart Metropolis“, Aschaffenburg. From afar already, the four towers marking each corner of Johannisburg Castle show you the way. Impressive historical buildings bear witness to the historical importance of Aschaffenburg.

### **Day 8: Individual departure**

After breakfast you start your individual return journey home or extend your stay.
