## **Stages description**

### **Day 1: Individual arrival in Volkach**

Welcome to the Franconian wine region! Start your trip with a tour of the city located on the Main loop. Surrounded by vineyards, which produce sparkling white wines, Volkach and its historical townscape wait to be discovered. It is absolutely worth going on a detour to the pilgrimage church Maria im Weingarten, which houses the floating Riemenschneider Madonna.

### **Day 2: Volkach – Karlstadt, approx. 90 km**

While you are on your way to the old royal seat of Würzburg you cycle through Kitzingen and Ochsenfurt while cycling along the river Main. The cityscape is dominated by the Würzburg Residenz and the Marienberg Fortress, towering above the Main. You cross the Main via the Old Main Bridge and continue on your trip towards Karlstadt. The scenery of the picturesque historic district is one of the most beautiful along the Main.

### **Day 3: Karlstadt – Wertheim, approx. 75 km**

Your first destination of today's stage is Lohr am Main. The town, known for its half-timbered houses, also goes by the nickname Snow White town. Find out more about the town and its nickname in the museum in Lohr Castle. It provides insights into the cultural history of the Spessart. In Wertheim you can visit the castle that towers high above the city and enjoy the impressive view of the city and the Main River from its keep.

### **Day 4: Wertheim – Würzburg – Volkach, approx. 70 km**

Today you follow the Main loop back to Bettingen. This is where the Aalbach cycle path begins - ideal for cycling through lesser known areas. You follow the path and cycle up a few hills until you reach Würzburg. From there you continue on the 2-Franken cycle path back to Volkach, the heart of Franconian winegrowing.

### **Day 5: Individual departure or extension of stay**

After breakfast, you start your individual return journey home or extend your stay.
