Stages description

Day 1: Individual arrival to Playa de Palma

Welcome to Mallorca! You start your bike tour in Mallorca in Playa de Palma, a district of Palma. Not far from the island's capital Palma de Mallorca stretches the eponymous and most famous beach of the island. After arriving at your hotel, treat yourself to a refreshing dip in the sea or an extended walk on the beach.

Day 2: Playa de Palma – Porto Cristo, approx. 100 km

You follow the coastal cycle path to the end of the beach and cycle on to Capocorp Vell, the realm of the Cyclops. Typical wind turbines are on your way to the pretty Ses Salines with its botanical garden. You cycle through small fishing villages to the famous natural bridge „Es Pontas“ before reaching your overnight stay in Porto Cristo. Here you will find the dragon caves with their bizarre images and shapes. A visit with a guided tour is definitely worthwhile.

Day 3: Porto Cristo – Port de Alcúdia, approx. 65 km

Via the typical island village of Son Carrió, you cycle along beautiful paths to Manacor. Here, factories produce the famous Majoricas artificial pearls. Afterwards, a traditional Mallorcan lunch snack is prepared for you in a restaurant on the village square in Petra. Cycle through one of the most enchanting landscapes on the island, the „Pla“, to the coast. It's not far along Playa del Muro until you reach your hotel in Port de Alcúdia.

Day 4: Alcúdia – Port de Sóller, approx. 70 km

The cycle route first takes you to the enchanting town of Pollença. From here, you cross the Tramuntana World Heritage Site. In the monastery of Lluc you should fortify yourself again before you reach the highest point at 1200 metres above sea level. Pass the large reservoirs, Mallorca's water reservoir, and enjoy the descent via Fornalutx and Sóller to Port de Sóller. Situated in a sheltered bay, your overnight stay provides a special flair.

Day 5: Port de Sóller – Port de Andratx, approx. 70 km

Today's cycle stage offers breathtaking views over the sea. You cycle past the picturesque villages of Deia and Valldemossa along the rugged west coast with its fascinating landscape. The endless terraced gardens of Banyalbufar were described by the Arabs as a „garden by the sea“. You should linger here and unwind with a view of the glittering sea. In the evening, enjoy the wonderful ambience in the fashionable Port de Andratx.

Day 6: Andratx – Playa de Palma, approx. 65 km

You cycle again on a beautiful mountain road via Andratx and Es Capdellà to Esplores. From here you cycle back down towards Palma. Wonderful paths take you to the city centre. You should definitely explore the island's capital with its narrow streets and wide squares before the cycle path along the sandy beach takes you back to the starting point of the tour.

Day 7: Individual departure

After breakfast you start your individual return journey home or extend your stay.
