## Stages description

### Day 1: Individual arrival in Tournon

Finally, vacation! Your cycling adventure through the beautiful Ardèche begins in Tournon-sur-Rhône. This small, lively town is located in the sunny Rhône Valley, just a short distance north of Valence – perfect for arriving in peace and quiet and getting into the vacation mood. Around Tournon, vineyards grow on rolling hills, giving the landscape its special charm. While parents may already be dreaming of their first glass of regional wine, there is plenty for children to discover: narrow streets, the river, and the Mediterranean flair of the town. Use the evening to settle in together, stroll through the town, and look forward to the cycling days ahead.

### Day 2: Tournon – Lamastre – Le Cheylard, approx. 20 km + Transfer

Depending on your schedule, a real highlight may await the children right at the start: a ride on the historic "Mastrou" steam train. The train gently chugs through the beautiful Vivarais countryside – a memorable experience for both young and old. If the train ride is not

possible, you will be comfortably transferred to your starting point in Lamastre. From Lamastre, it's time to hop on your bikes and enjoy the ride. Cycling along a former railway line, you gently descend through green valleys, across small bridges and through tunnels – all completely traffic-free. The Dolce Via truly lives up to its name, leading you in a relaxed way to Le Cheylard, where you can end the day at ease.

### Day 3: Le Cheylard – Les Ollières-sur-Eyrieux, approx. 30 km

Today you enjoy relaxed family cycling downstream along the Eyrieux River. This untouched section of the route lies in the heart of the ardeche and invites you to slow down and enjoy nature. Terraced hillsides, orchards and peaceful surroundings make this stage a true highlight of your family cycling holiday, gradually leading you closer to the rhone Valley.

**Day 4: Loop around Les Ollières-sur-Eyrieux**

A relaxed rest day during your family cycling tour in the ardeche. Children can choose from canoeing, swimming or adventure activities, making this a perfect break before continuing your family cycling journey towards the rhone Valley.

**Day 5: Ollières-sur-Eyrieux – Soyons, approx. 30 km**

The gentle hills gradually give way to the Rhône Valley. Today you leave the Dolce Via and join part of the long-distance ViaRhôna, which stretches all the way from the Alps to the Mediterranean Sea. It's the perfect moment for a refreshing break in the river! Children will love splashing around, while adults can relax in the shade beneath one of the ancient Roman bridges – a wonderful mix of nature, history, and family fun.

**Day 6: Soyons – Valence – Tournon, approx. 35 km**

To complete your cycling holiday, follow the ViaRhôna alongside the rhone River and past large orchards. Before reaching Tournon-sur-Rhône, stop in the lively town of Valence. Its historic centre, once a Roman settlement, is perfect for a short stroll and a relaxed break – a fitting finale to your family cycling adventure.

**Day 7: Individual departure**

Today your cycling holiday along the Dolce Via and the ViaRhôna gently comes to an end. Over a relaxed breakfast, there is time to look back on your family adventure – the first kilometres cycled, the little discoveries along the way and all the special moments you shared together. With plenty of happy memories and maybe new travel ideas, you begin your journey home.
