Stages description

Day 1: Individual arrival in Arnhem

The cycle tour in Holland begins in Arnhem. As the capital of the province of Gelderland, Arnhem has a rich and eventful history. On one side, the city borders the Veluwe, the largest wooded area in the Netherlands, and on the other, there are extensive floodplains. If you arrive early, you should plan a visit to Burgers' Zoo. It shows the animals in their natural habitat instead of in cages.

Day 2: Arnhem – Wijk bij Duurstede, approx. 65 km

Get on your bike saddle and enjoy the fun. You cycle through the wooded Veluwe region on a varied tour. Mixed pine forests with dunes, small lakes and heathland are typical of the area. You follow the Lower Rhine to the 17th century Amerongen moated castle, which boasts a beautiful garden and a unique collection of original 19th century pieces. Your destination is the pretty village of Wijk bij Duurstede, which was built on the site of the important trading town of Dorestad.

Day 3: Wijk bij Duurstede – Gorinchem, approx. 50 / 60 km + ferry ride

Today you cross the Lower Rhine on your cycle tour in Holland and head towards the famous Dutch fruit region of Betuwe. Via the historic town of Buren and the River Linge, you will soon reach the town of Leerdam, which is located on the magnificent river surrounded by dykes. It is not only the namesake of the Leerdam cheese, but is also known for its glass industry. After that, you have the choice of either following the Linge to the fortified town of Gorinchem or taking an extra loop that will take you via Vuren and a few ferries to Slot Looverstein and Woudrichem before taking the last ferry to Gorinchem.

Day 4: Gorinchem – Papendrecht, approx. 55 km + ferry rides

Take a closer look at the old fortified town of Gorinchem in the morning. A ferry will take you to Werkenam. You then cycle through De Biesbosch National Park, one of the few freshwater tidal areas in the world. This is where the Meuse and Waal rivers meet. A ferry takes you across to Kop van't Land and you soon reach Dordrecht, Holland's oldest city. The atmosphere in the harbour town is unique. One more trip on the water and you have reached Papendrecht.

Day 5: Papendrecht – Rotterdam, approx. 35 km + ferry ride or 65 km + train ride

The cycle tour in Holland now offers a special photo motif! The first highlight of the day is the 19 windmills of Kinderdijk. Dating back to the 18th century, the mills are still well preserved and have been declared a UNESCO World Heritage Site. You can now decide whether to cycle directly to Rotterdam via Slikkerveer on the ferry (not included) or stay in the saddle a little longer to see where the Rhine flows into the North Sea in Hoek van Holland. The stage is then extended by around 30 km. Take a walk along the huge sandy beach and take the train (not included) back to Rotterdam.

Day 6: Individual departure

After breakfast you start your individual return journey home or extend your stay.
