Your tour

Discover two highlights of German city culture on this cycle tour from Dresden to Potsdam. In between, the route along the Elbe allows for brisk cycling, which becomes a little more challenging in the slightly hilly Fläming region. It got its name from the Flemings who settled here in the 12th century. Experience German history in the Lutherstadt Wittenberg and the porcelain city of Meissen, enjoy the excellent drops of Goldriesling and Schieler along the Saxon Wine Route. Both culturally and culinary, this cycle tour is a special experience.
