Stages description

Day 1: Individual arrival in Odense

Odense, the third largest city in Denmark, is the birthplace of the famous poet and writer Hans Christian Andersen. He is commemorated at every turn in the city, which is over 1000 years old. The Sankt Knuds Kirke in the center reflects the prosperity of the city in the Middle Ages and is one of the most important Gothic buildings in Denmark.

Day 2: Odense – Svendborg, approx. 60 km

Today's stage of your cycling tour in Denmark takes you on Route 55 to the south of Funen. Passing Egeskov Castle, where you should definitely plan a visit, you will reach the coast on the western outskirts of Svendborg. If you stay overnight in Trensø, follow route 8 over the bridge to the island of Tåsinge.

Day 3: Svendborg – Nakskov, approx. 45 km + ferry ride

After breakfast you cycle across Svendborgsundbroen, which takes you to the island of Tåsinge. Not far from the sailing town of Troense you will reach Valdemars Slot. It is located directly by the sea and was built in the 17th century. You will continue your trip via Siødæmningen, the small island of Siø and Langelandsbroen to the island of Langeland. By ferry you will go to Tårs on the island of Lolland. You will spend the night in Nakskov, the largest town on the island. Visit the Sugar Museum, which gives insight into the history of sugar production, which is still of important economic significance today.

Day 4: Nakskov – Bandholm / Maribo, approx. 50 / 55 km

Today you will go to the heart of Lolland. You are on almost flat bike paths and get to know the beautiful nature of the island. First you will cycle to Kragenæs in the north. Enjoy the view of the sea before you swing on your bike towards the nearby Dodekalitten. This modern work of art is in the form of a stone circle. Continue on to the harbor town of Bandholm. Visit Knuthenborg Safari Park, the largest in Northern Europe. A little further south you arrive in the cozy town of Maribo. You will spend the night in Bandholm or in Maribo.

Day 5: Maribo – Heiligenhafen, approx. 65 / 55 km + ferry ride

Today we travel from the island of Lolland to Fehmarn. We take the ferry from the harbor in Rødby to the sun-drenched island. Fehmarn is characterized by beautiful sandy beaches, cliffs, dunes and nature reserves. Treat yourself to a break in Burg, the island's main town, before taking the Fehmarnsund Bridge back to the mainland. You have reached your destination for the day in Heiligenhafen. The town, which is popular with water sports enthusiasts and sailors, is also popular with nature lovers. Take part in a guided tour through the Graswarder nature reserve or watch the seagulls flying over the Baltic Sea from the pier.

Day 6: Heiligenhafen – Eutin, approx. 60 km

You'll still be on the Baltic Coast cycle path up to Sehlendorf, but then you pedal into the heart of „Holstein's Switzerland“. The countryside features many lakes, gentle hills and expansive deciduous woods. The route is quite hilly, along the „Holsteinische-Schweiz“ cycle path via Blekendorf, Benz and Sielbeck to Eutin, the cultural hub of „Holstein's Switzerland“.

Day 7: Eutin – Kiel, approx. 55 km

You cycle through a beautiful lake landscape to Plön. The town's landmark is the 17th century castle. Originally built in the Renaissance style, it was later given a Baroque makeover. Continue to the shoemaking town of Preetz. Pay a visit to the monastery and treat yourself to a dip in Lake Lank. Cycle along the River Schwentine to Kiel. The state capital of Schleswig-Holstein is not only an important naval base, but also a culturally interesting city that you can get to know on a walk.

Day 8: Individual departure

After breakfast you start your individual return journey home or extend your stay.
