Your tour

From Hamburg, this cycle tour first takes you along the Elbe to Brunsbüttel. This is where the Kiel Canal begins, one of the busiest waterways in the world. It connects the Elbe and the nearby North Sea with the Baltic Sea over a distance of about one hundred kilometres. You cycle almost without climbing along the canal, which is lined with changing landscapes, and marvel at the ocean liners and cruise ships passing through. With Kiel you have reached the destination of this short journey. Enjoy the maritime flair of the city as you take a walk along the harbour promenade or relax on the beaches along the Kiel Fjord.
