## Your tour

The time-honoured Hanseatic cities of Lübeck and Wismar mark the start and finish of this weekend cycle tour on the Baltic Sea. And so you will experience two cities that are unique architecturally, historically, culturally and atmospherically. In between, you can expect two very beautiful cycling days through nature reserves, along the (steep) coast and the most beautiful sandy beaches. On our weekend cycling tour you will get an impression of the beauty of the Baltic Sea within a short time. The tour offers a perfect mix of culture and nature experience for all those who want to experience as much Baltic Sea flair as possible with little time!

## Stages description

### Day 1: Individual arrival in Lübeck

Your bike tour starts in the old, magnificent Hanseatic city, which was named a UNESCO World Heritage Site in 1987. If you talk about Holstentor, marzipan and Thomas Mann, Lübeck immediately comes to mind. You should not miss a fish roll as a prelude to your vacation.

### Day 2: Lübeck – Boltenhagen, approx. 45 km + ferry trip

This stage leads through the spa town of Travemünde, and on along the Baltic Sea Cycle Path. You will reach Boltenhagen through the Brooker Wald nature reserve. Mecklenburg's second oldest seaside resort not only attracts tourists, it has also hosted sailing world championships. From the cliffs you have a view of the entire bay. The small town of Klützt in the hinterland is charming.

### Day 3: Boltenhagen – Wismar, approx. 30 km

You continue, mostly along the coast, to the old Hanseatic town of Wismar. From here we recommend a short trip to Poel island to explore its long sandy beaches and go for a swim. Historic city walls from the Thirty Year's War add charm to the island.

### Day 4: Individual departure

After breakfast you start your individual return journey home or extend your stay.
