## Your tour

The writer Theodor Storm once described Husum as a gray town by the sea. There is no sign of that: Husum is colorful and lively! Get in the mood for our cycle tour in North Friesland with a walk along the harbor - where the tide comes in. Husum is the ideal place to go on exciting day trips every day. You visit St. Peter-Ording. The seemingly endless sandy beach and the pile dwellings are just as much a highlight of our cycle tour in North Frisia as the red and white striped Westerhever lighthouse.

## Stages description

### Day 1: Individual arrival in Husum

The small town of Husum is shaped by the interplay of the tides. The North Sea reaches right into the inland harbour. Observe the ebb and flow of the tide in the middle of the town. Stroll through the narrow streets and alleys and marvel at the picturesque, differently coloured gabled houses.

### Day 2: Excursion to St. Peter-Ording, approx. 60 km + train ride

Today we travel by train to St. Peter-Ording. The seaside resort is known for its 12-kilometre-long sandy beach, which is ideal for extensive sunbathing or various water sports. On the way back to Husum, you can cycle to the Westerhever lighthouse, which is visible from afar. It is the landmark of the Eiderstedt peninsula.

### Day 3: Excursion to Hallig Hooe, approx. 25 km + ferry rides and transfer

Take your time exploring the Nordstrand peninsula before taking the ferry to Hallig Hooe at noon. Hallig islands are small marshland islands in the Wadden Sea that are flooded several times a year. Thanks to the terps - artificial embankments - the islands can be inhabited all year round. Hooe is the second largest Hallig in the Schleswig-Holstein Wadden Sea. Visit the storm surge cinema, where you can watch the flooding of an island on the big screen. Also worth seeing: the Königspesel, an originally preserved captain's house. In the evening you return to Nordstrand. A transfer will take you back to Husum.

### Day 4: Excursion to Friedrichstadt and Tönning, approx. 40 km + train ride

Today your cycle tour in North Friesland will take you to Friedrichstadt through the Südermarsch region. Leave your bike somewhere safe and stroll along the numerous canals of the Dutch town. On your

way to Tönning, you will pass typical North German villages and the Hoyerswort manor house, Schleswig-Holstein's only noble estate on the west coast. Tönning is an idyllic harbour town. The Multimar Wattforum lets you explore the world of the Wadden Sea and the North Sea. Treat yourself to a hearty fish sandwich at the harbour before returning to Husum by train.

**Day 5: Excursion to the island of Sylt + train rides**

A train will take you from Husum to the island of Sylt via Niebüll. The largest North Frisian island is extremely scenic and impresses with its kilometre-long sandy beaches, cliffs, dune areas and thatched houses.

The island boasts a network of over 200 kilometres of cycle paths. Ideal for a short or long cycling tour. Cycle along the former Sylt island railway line, to the Hörnum lighthouse, to the Red Cliff near Kampen, or have a fish sandwich in List, the options you can choose from are nearly endless. In the evening you return to Husum by train.

**Day 6: Individual departure**

After breakfast you start your individual return journey home or extend your stay.
