## Stages description

### Day 1: Individual arrival in Rothenburg

Rothenburg ob der Tauber is the epitome of medieval town romantics and has been immortalized by artists such as Spitzweg and Richter. Be guided through the town in the evening by the night watchman and learn all kinds of interesting facts about life in Rothenburg back in the day.

### Day 2: Rothenburg ob der Tauber – Dinkelsbühl, approx. 60 km

Dinkelsbühl exists precisely because of the Romantic Road. Its location close to the most important trade routes and good defence position led to the town being built in the Middle Ages. To this day, the town centre is well preserved and takes you on a journey through time. Numerous buildings tell their history, from St George's Minster to the old town hall and the Rothenburg Gate.

### Day 3: Dinkelsbühl – Nördlingen, approx. 40 km

The Nördlinger Ries was formed by a meteorite impact over 15 million years ago. People began to settle here early on. The town of Nördlingen is located in the middle of the crater, which is still recognisable today. A museum explains all aspects of this history, including why the crew of the Apollo 14 space mission trained in Nördlingen.

### Day 4: Nördlingen – Donauwörth, approx. 40 km

Your day's stage first takes you to Harburg. The impressive castle of the same name towers above the town. A visit is recommended, as you can look out over the entire valley from the walls of Harburg Castle. Continue along the Romantic Road to Donauwörth. This is where the Wörnitz flows into the Danube. A visit to the Käthe Kruse Doll Museum is a very special experience.

### Day 5: Donauwörth – Augsburg, approx. 50 km

On your way to Augsburg, you will pass the Via Claudia Augusta, which crosses the Alps all the way to Italy. The university city of Augsburg is the third largest city in Bavaria and has a lot to offer. From culinary

delights to shopping, all needs are catered for here. Culture enthusiasts can take a look at the birthplace of Berthold Brecht or visit the Schaezlerpalais. Augsburg Zoo is also very popular.

### Day 6: Augsburg – Landsberg am Lech, approx. 50 km

Today's stage takes you first to Königsbrunn. Don't miss a visit to the Mercateum, the largest walk-in globe in the world! Back on the Romatische Straße, you cycle comfortably towards your destination for today: Landsberg am Lech. Located right on the border between Swabia and Bavaria, both cultures have mixed here. Try a Landsberg beer or one of the numerous chocolate creations.

### Day 7: Landsberg am Lech – Schongau, approx. 35 km

On this stage you cycle through the so-called Pfaffenwinkel. It was named after the unusual density of monasteries and churches in this area. Thanks to its height, you can see the church tower of Denklingen well in advance. Your destination for the day is the town of Schongau. With its well-preserved town wall, Schongau invites you to explore the old town centre.

### Day 8: Schongau – Schwangau / Füssen, approx. 50 km

A special treat awaits you on your last cycling stage on the Romantic Road: a visit to Neuschwanstein Castle. The most famous of German castles awaits you just before Füssen. The Throne and Singers' Hall and the royal flat will transport you directly to the royal court. In Füssen there is a rival, the High Castle, which is much older but just as well preserved.

### Day 9: Individual departure

After breakfast you start your individual return journey home or extend your stay.
