Your tour

Our cycling holiday from Luxembourg along the Moselle takes you from the small Grand Duchy to the German Corner in Koblenz. You start in D'Stad, as the Luxembourgers fondly call their capital of the same name. In Remich you meet the Moselle. Situated between the Eifel and Hunsrück, it meanders through the multifaceted Moselle valley. Explore the Porta Nigra in Trier, the wine ship in Neumagen-Dhron and the half-timbered town of Bernkastel-Kues. The Reichsburg Castle in Cochem and Eltz Castle near Treis-Karden are just a few of the many buildings worth seeing that you will discover on the 260 kilometres of cycling to Koblenz. The Moselle Cycle Path is a typical river cycle path with almost no climbs.

Stages description

Day 1: Individual arrival to Luxembourg

Welcome to Luxembourg! The capital of the same name is the central hub of the small Grand Duchy. Grab your bike as soon as you arrive at the hotel and explore the city, which is famous for its large bridges. Visit the underground passages of the casemates. They are the remains of the former city fortress. A stroll through the picturesque alleyways of the old town takes you past the Fëschmaart (fish market), past the Grand Ducal Palace and to Place Guillaume II, popularly known as Knuedler.

Day 2: Luxembourg – Remich region, approx. 45 km

Following the River Alzette, you leave the city of Luxembourg. On small country roads, you cycle through hilly landscapes that have a few climbs in store for you. You spend the night in Remich on the border with Germany. Situated on the western bank of the Moselle, the town is considered the centre of Luxembourg's winegrowing industry. The vineyards and dense forests around the town make Remich look like an amphitheatre. Stroll along the three-kilometre-long riverside promenade along the Moselle. Enjoy the Mediterranean atmosphere of the pearl of the Luxembourg Moselle.

Day 3: Remich – Trier, approx. 40 km

Today you follow the Moselle, which also forms the German-Luxembourg border as far as Wasserbillig. Accompanied by wide vineyards to the left and right of the river, you cycle through small wine villages to Trier. Characterised by everything from Roman buildings to modern cultural monuments, the city is considered to be the oldest in Germany. Particularly noteworthy is the Porta Nigra, the city's landmark. Set off on an extensive tour of the city from the Black Gate. Visit the impressive Trier Cathedral and the Imperial Baths. Round off the day with a glass of delicious Moselle wine. Cheers!

Day 4: Treves – Piesport, approx. 50 km

In the Moselle Valley you will come into contact with the Roman and the winegrowing culture of the region. Today you will be able to view a very special relic from Ancient times: The Rustica in Mehring was reconstructed according to original plans and showcases the Roman way of life. In Trittenheim, wine lovers and connoisseurs are in for treat as you can stroll around the informative vineyard path.

Day 5: Piesport – Traben-Trarbach, approx. 40 km

In the timber-framed small town of Bernkastel-Kues you will be able to admire the very pretty Market Square before continuing on to Zeltingen, a traditional winegrowing village with monastery gardens in the Moselle Baroque style. Continuing on along the Moselle you

will pass through Kröv with its famous Kröver Nacktarsch vineyard before coming to Traben-Trarbach. This small town is a gem filled with buildings in the Classical and Jugendstil styles.

Day 6: Traben-Trarbach – Cochem, approx. 55 km

Passing through Zell, which is well-known for its Zeller Schwarze Katz, you will continue on to Beilstein, the Sleeping Beauty of the Moselle. The village is really similar to that of a storybook landscape! The village has changed little over the past few centuries, retaining its medieval flair. Soon you will reach Cochem, which is surrounded by rolling, wooded hills.

Day 7: Cochem – Koblenz, approx. 50 km

Today you will continue on at a fast pace along well developed cycle paths on your way to Coblenz. In Kobern-Gondorf don't forget to visit the oldest timber-framed building in Germany, the Abteihof dating from 1320! As you will have improved your level of fitness during the course of the holiday a detour to the well-known Eltz Fortress is recommended. Or why not finish off your holiday relaxing in the Old Town of Coblenz?

Day 8: Individual departure

After breakfast you start your individual return journey home or extend your stay.
