## Your tour

From your hotel in Trier, you set off on various day tours by bike. You will get to know the three rivers Saar, Moselle and Kyll, whose river valleys all have their own unique flair. Vineyards line your path and small wine villages invite you to taste the local grape varieties. On this tour, you can largely determine the itinerary yourself by deciding in the morning which course of the river you would like to cycle along, depending on your mood. Alternatively, if the weather doesn't cooperate at all, you can simply explore the charming city of Trier or read a book.
