Stage description

Day 1: Individual arrival in Husum

Your bike tour starts in Husum, the hometown of Theodor Storm. Once dubbed a gray city by the sea, you will be greeted by a colorful and lively old town. The secret landmark, the Tine Fountain, is located on the market square and is the focal point of the town.

Day 2: Husum - Schlüttsiel, approx. 50 km

With a view of the North Sea you start your first cycling stage. A detour to the Hamburger Hallig is worthwhile. After circling the peninsula and stopping for refreshments at the only inn on the small island, you will reach your destination at the Schlüttsiel ferry port.

Day 3: Excursion to Hallig Hooge, approx. 10 km + boat trip

Today you take the ferry to Hallig Hooge. The individual terps of Hooge can already be recognized from afar. In the island's storm tide cinema, the power of the North Sea tides is shown on film. A carriage ride takes you past all the island's highlights. The ferry takes you back to Schlüttsiel.

Day 4: Schlüttsiel - Island of Sylt - Havneby (Island of Rømø), approx. 35 km + train and boat trip

With a train ride from Niebüll you first reach Westerland, the main town of the island of Sylt. The island's network of cycle paths stretches over 200 kilometers. You decide which route you would like to cycle. From List, a ferry will take you to the island of Rømø, your destination today.

Day 5: Free Day on the island of Rømø

How you spend today on the largest sandy beach in Northern Europe is entirely up to you. You can explore the island by bike or on foot. Likewise a trip with a sand yacht. Or would you prefer an extensive and relaxed sunbath?

Day 6: Havneby - Ribe, approx. 45 km

Back on the Danish mainland, you can see the disparate towers of Ribe Cathedral from afar. Ribe is the oldest town in the country and was an important port and trading town in the Viking Age and the Middle Ages.

Day 7: Ribe - Esbjerg, approx. 35 km + detour to the island Fanø

Back at the sea, you first climb the Vandtårnet - landmark of the young town of Esbjerg. The viewing platform offers a magnificent view of the city all the way to the island of Fanø, your next excursion destination. After a short crossing, with a little luck you might have the opportunity to discover washed up amber. The sculpture group „Man by the Sea“ can be admired at Sædding Strand in Esbjerg.

Day 8: Individual departure or extension of stay

After breakfast you start your individual return journey home or we extend your stay.
